City of Paramount, CA

FISCAL YEAR 2021

PARAMOUNT CITY COUNCIL

- ◆ PEGGY LEMONS, MAYOR
- ◆ BRENDA OLMOS, VICE MAYOR
- ◆ ISABEL AGUAYO, COUNCILMEMBER
- ◆ LAURIE GUILLEN, COUNCILMEMBER
- ◆ VILMA CUELLAR STALLINGS, COUNCILMEMBER

JOHN MORENO, CITY MANAGER

◆

The Budget is prepared under the direction of the City Manager by the Finance Department.

In early spring of each year, operating departments are directed to submit budgetary requests to the Finance Department for verification and compilation. While expenditure requests are being prepared, projections of revenues for the year are developed. The requests and projections are presented to the City Manager.

The City Manager reviews the expenditure requests and revenue projections, makes necessary deletions and additions, and recommends a budget to the City Council.

The preparation of this budget is made possible by the efforts of the Finance staff.

ADRIANA LOPEZ, PUBLIC SAFETY DIRECTOR

The City of Paramount was incorporated January 30, 1957, under the general laws of the State of California and enjoys all the rights and privileges pertaining to "General Law" cities. The City operates under a Council-Manager form of government and is considered a "contract city" since it provides some of its municipal services through contracts with private entities or other governmental agencies.

BUDGET MESSAGE

To: Honorable City Council

PREFACE

We are very pleased to present the Proposed Budget for Fiscal Year (FY) 2021.

This is no doubt an unprecedented time to adopt a budget for any municipal government and Paramount is no exception. We started off this budget preparation period with a high level of certainty and momentum. The sales tax measure, Measure Y, had been passed overwhelmingly by the voters, signifying the trust and confidence that residents have in their City. Unfortunately, in March 2020, the Coronavirus (COVID-19) began to spread widely in the United States and the statewide mandatory safer-at-home order took effect. As such, this took a toll on our economy and we began to understand our sobering financial reality – our revenues have been dramatically impacted without warning. As a result, we will be showing a \$2.14 million deficit for FY 2020. Fortunately, our conservative and fiscally responsible spending habits, along with a healthy reserve, will help us weather this financial storm.

When we combine this with the fact that we were realistically in the first year of a structural budget deficit in FY 2020, the situation could have been completely catastrophic for FY 2021. Fortunately, the passage of Measure Y (new transaction tax) is expected to bring in approximately \$4 million in revenues in FY 2021. Measure Y provides a much-needed revenue stream at the maximum sales tax figure that, if not passed, could have eventually gone to another agency such as the County or Metro. In 2021, this additional revenue stream will offset the loss of revenues due to the pandemic in all other areas such as sales tax, UUT, licensing, permits, fees, and citations, etc. With Measure Y and our fiscally conservative spending habits, Paramount looks to be able to continue the same level of services and still post a \$256,000 projected surplus in FY 2021.

We are predicting approximately \$52.65 million in revenues, which is \$8.57 million more than the current year. The bulk of the increase is related to the new revenue stream brought by Measure Y and restricted funds that have been awarded for specific projects. The General Fund revenue forecast will increase by about \$3,507,700 to a total of \$29.04 million. As we had in previous budgets, we expect some expenditures to go up in the following areas: L.A. County Sheriff's contract (5.57% increase); animal control, crossing guard services; and the State minimum wage law affecting our part-time personnel expenses.

**PREFACE
(cont'd)**

As mentioned above, this budget continues to address the needs and expectations of our community, while also proposing a few capital improvement projects. These include the construction of Water Well #16, the expansion of our street paving program, public park and facility upgrades, improvements to Paramount Pool, and ongoing special events for the community. This is all a continuation of our aggressive drive to preserve the quality of life in our neighborhoods. On the operations side, in addition to our routine financial and compliance audits, the City is once again voluntarily embarking on an additional Agreed Upon Procedures audit to evaluate our policies and procedures in our continual effort to protect and preserve public funds.

In any event, we will continue to retain most of the traditional services, programs, and events our residents and businesses have come to expect, appreciate, and enjoy.

**REVENUE
OVERVIEW**

During the upcoming year, we are expecting all City revenues to total \$52,646,900. There is an overall unrestricted revenue increase of \$3,507,700 in the General Fund mainly related to the increase in transaction tax passed by the voters on March 3 in the estimated amount of \$4.2 million. In the restricted funds category, there is an increase of about \$5,135,350 mainly related to some one-time grants we are receiving for capital improvement projects.

Overall, including beginning balances, we are recommending a total budget of \$88,436,100 in "Sources" and \$64,367,100 in "Uses." Therefore, we estimate ending the year with a balance of \$24,069,000 for all funds combined.

When combining all the fund types, there is a decrease in the ending balance of \$4,174,700. This is largely due to our anticipated use of restricted funds accumulated from prior years.

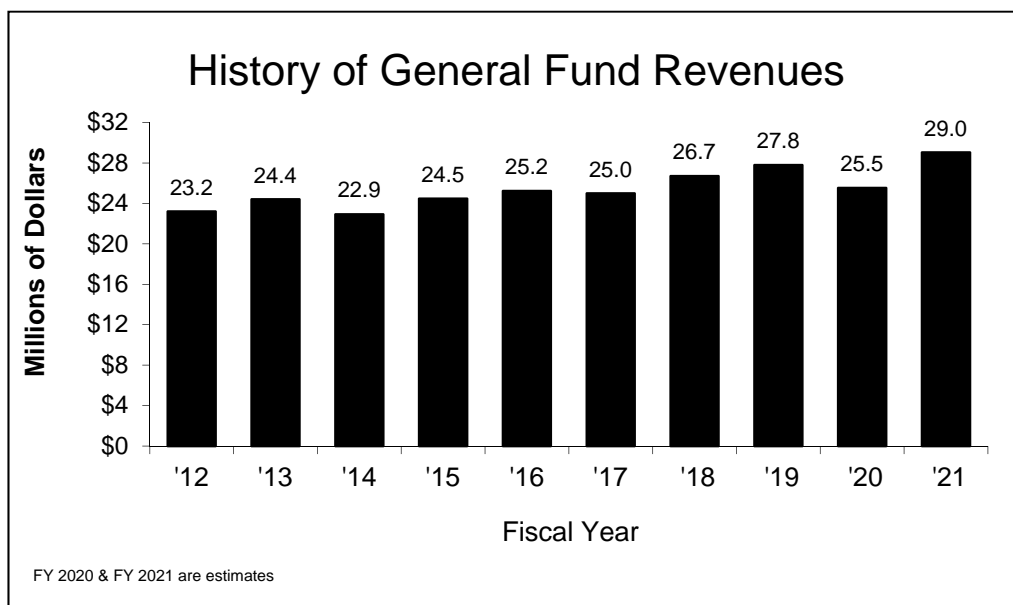

REVENUE OVERVIEW (cont'd)

The following table provides a good overall summary of the City's budget.

SUMMARY SOURCES & USES OF FUNDS				
	General	Restricted/ Assigned	Water	Total All
	Fund	Funds	Fund	Funds
SOURCES				
Beginning Fund Balance	\$ 11,367,450	12,205,000	4,671,250	28,243,700
Revenues	29,038,850	16,328,300	7,279,750	52,646,900
Loan Proceeds	-	-	6,082,350	6,082,350
Depreciation	-	150,000	1,000,000	1,150,000
Principal Payments	-	-	313,150	313,150
Total Sources	40,406,300	28,683,300	19,346,500	88,436,100
USES				
Operations	28,682,800	7,780,600	9,214,850	45,678,250
Capital Improvements	100,000	11,466,500	7,122,350	18,688,850
Total Uses	28,782,800	19,247,100	16,337,200	64,367,100
ENDING FUND BALANCE				
	\$ 11,623,500	9,436,200	3,009,300	24,069,000

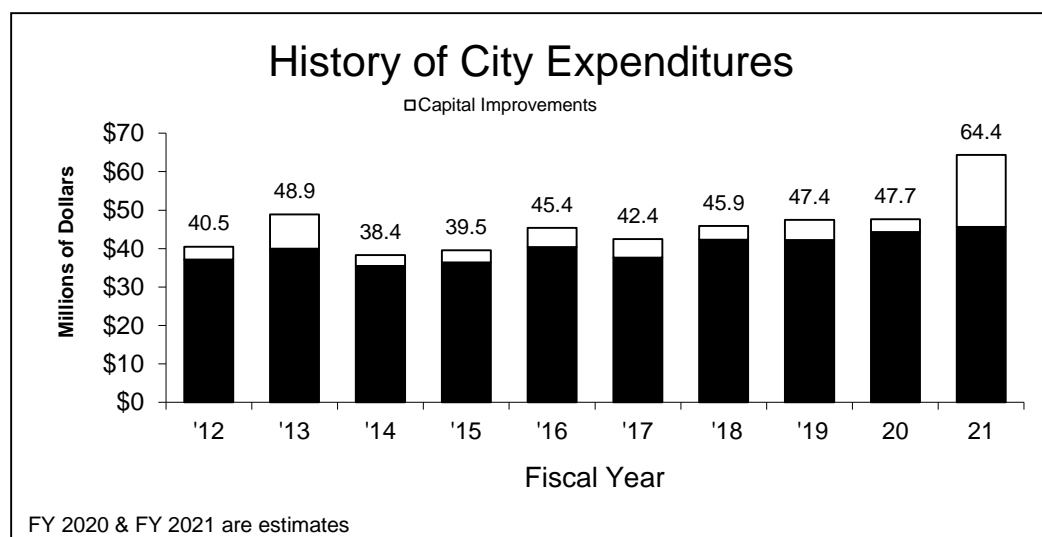

GENERAL FUND

With General Fund revenues increased by 13.74%, or \$3,507,700, from last year's estimate, we are projecting to have revenue of \$29,038,850, or about 55% of our total revenues. The anticipated transaction tax approved by the voters on March 3 is projected to be about \$4.2 million. The following chart shows a ten-year history of our General Fund revenues.

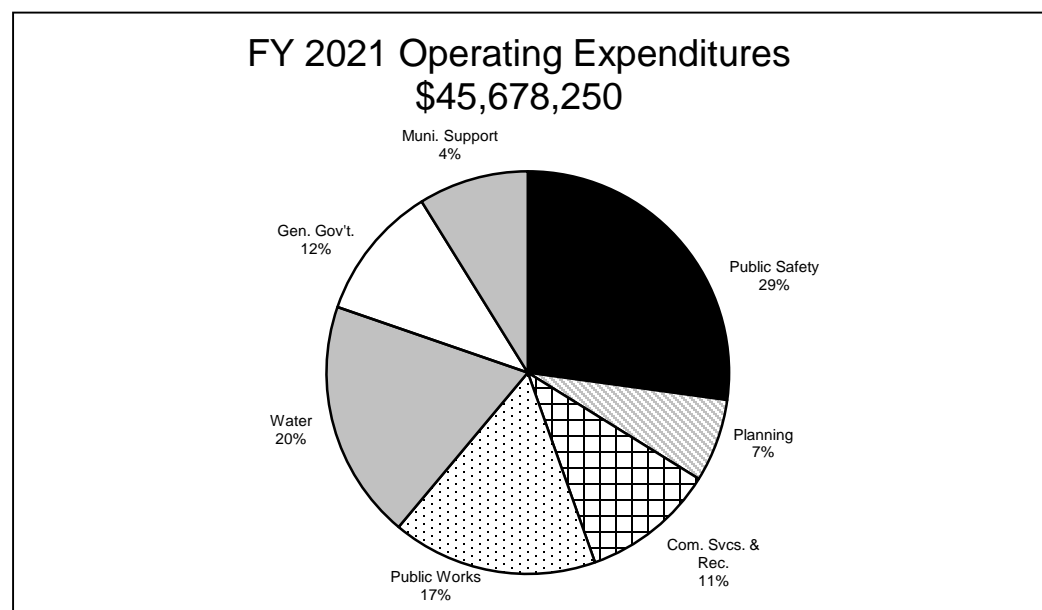

EXPENDITURE OVERVIEW

Total City expenditures, which include the General Fund, the Water Department, and all restricted-use funds, are projected to be \$64,367,100. We anticipate that expenditures will exceed revenues, as we intend to spend restricted-use funds received and accumulated from prior years on one-time purchases and capital improvement projects. Expenditures are broken down into two areas: operations and capital improvements. The following chart shows a ten-year history of our total expenditures for both operations and capital improvements.

OPERATING EXPENDITURES

The operations category of the budget funds each of our seven departments that provide essential services to the community. The chart below shows the estimated expenditures for the City's operating departments.

The proposed operations budget is \$45,678,250. The following sections will describe some of the departmental highlights and provide insight into the FY 2021 operations budget.

**OPERATING
EXPENDITURES
(cont'd)****Public Safety**

Our Public Safety Department consists of Administration and four divisions: Sworn Patrol Services, Non-Sworn Services, Code Enforcement, and Support Services. Public Safety continues to be our largest operating department with a budget of \$13,040,050 (about 29% of the total operating budget) or about \$964,350 more than the current year. The increase is mainly related to the higher cost of sworn patrol from the Los Angeles County Sheriff's Department (LASD). In FY 2021, we are facing a contract increase of 5.57% for Deputy Sheriff Services and 5.83% for Sheriff Sergeant Services, and the Liability Trust Fund will remain at 11% of our total contract cost. Although there was a significant increase in the LASD contract, the staffing level of our deployment services will remain the same.

At the direction of the Board of Supervisors, the Los Angeles County Sheriff's Department has reassigned unfunded administrative positions. These positions were performing duties in city-contracted areas at a non-reimbursed cost. After further review, the positions were found to be essential for the operational function of patrol. Given the financial burden of the COVID-19 pandemic and the County's fiscal projections for the Sheriff's Department, it became necessary to reassign the remaining unfunded positions to further reduce non-reimbursed overtime. Knowing the value of the unfunded position in our city, a funding source was allocated for a Supplemental Sergeant in lieu of the Service Area Lieutenant and has been added to the LASD Contract for FY 21.

The Sworn Patrol Services Division funds the contract for sworn personnel from LASD for patrol units and contractual services and equipment for the day-to-day operations of the field patrol services. The budget includes funds to carry out the City's historically tough stance on crime, which maintains a safe environment via professional and community-based law enforcement services. Consequently, no adjustments were made to our field deployment. In addition, we will continue to fully fund critical supplemental law enforcement components such as five Special Assignment Deputies, a 50% share of one of the School Resource Officers, a Detective Specialist, and Community Service Officers (CSOs).

The City has contracted with the County for a Deputy District Attorney as part of Strategies Against Gang Environments (SAGE). The Deputy District Attorney serves as a liaison with court officials and ensures that the courts and prosecuting attorneys are aware of the City's position regarding specific cases. Lastly, the Deputy District Attorney assists the City with quality of life issues, working with property owners to resolve issues and abate nuisances. For FY 2021, we will continue to offset the full cost of the Deputy District Attorney by continuing our partnership with the City of Bellflower. This cost-sharing arrangement is budgeted at \$142,000 per city.

**OPERATING
EXPENDITURES
(cont'd)**

Public Safety staff also evaluated our long-standing crossing guard services contract with All City Management Services, Inc. (ACMS). Last year we were able to secure a reduction in cost based on the alignment of service levels with those of other cities. Due to COVID-19, finding new savings is almost impossible. There is another \$1.00 minimum wage increase scheduled for January 1, 2021, and it will impact ACMS. As a result, ACMS proposed a billing rate of \$20.77 per hour which is a 4.95% increase from last year. ACMS restructured our agreement last year and that restructured service level will once again provide 13,185 hours of crossing guard protection, with a minimum of three hours per site. We will continue to provide crossing guard services at the 22 designated sites. With the school year reduced this year and a very fluid and uncertain return to school date this coming school year, ACMS is operating on a very thin financial layer.

Code Enforcement ensures that properties throughout the City are maintained in conformance with zoning and property maintenance codes to preserve a safe and attractive living and working environment. As the pandemic continues to unfold, we continually review our service levels. Consequently, staff has prioritized code violations that create life safety issues, and taken a more relaxed posture on minor issues. The department has re-assigned duties among staff that will bring about even greater efficiencies and designated more hours to the part-time code enforcement position. Based on assessments, it was determined that the caseload of each Code Enforcement Officer is manageable at slightly lower staffing levels since software we put in place last year has allowed for better tracking and monitoring of cases. As a result, the department is proposing to freeze one vacant full-time Code Enforcement Officer position in FY 2021. The annual net savings is about \$112,000.

Providing funding for quality-of-life initiatives such as the Neighborhood Preservation Program (which includes our successful Pitch In, Paramount volunteer clean-up) and the Neighborhood Watch Program are essential. These programs allow us to foster community commitment to public safety. Also, traffic enforcement will continue to form an integral component of our deployment efforts throughout the year. By allocating dedicated overtime funds to address traffic concerns, law enforcement will continue to identify problem areas and optimize enforcement efforts to deter egregious violations and create a safer environment for the community.

**OPERATING
EXPENDITURES
(cont'd)**

Public Works

The Public Works Department includes six non-enterprise divisions: Administration, Facility Maintenance, Landscape Maintenance, Vehicle and Equipment Maintenance, Road Maintenance, and Engineering. The proposed budget for this department is \$7,919,100, or about \$288,950 more than the current fiscal year. The increase in expenditures is mainly related to the passage of Measure W, a countywide measure that provides limited funding for stormwater compliance. The department also manages three divisions under the water enterprise fund including Water Production, Water Distribution, and Water Customer Service.

The budget continues funding at the same level for routine maintenance operations. Staffing and supply levels are comparable to the current year. Contract services, which make up a significant part of the department's service delivery capability, are at the same service levels as the current year including tree trimming and landscape maintenance. The Engineering Division budget continues to reflect on-going consulting costs for technical engineering support services, including traffic engineering and environmental sustainability efforts.

Planning

This department includes Administration and is responsible for three divisions: Development Services, Residential Rehabilitation, and Commercial Rehabilitation. The budget is \$3,197,700, or about \$445,400 greater than the current year. A bulk of the increase is related to the detailed development of two high-profile specific plan documents – the Clearwater East Specific Plan and the North Paramount Boulevard Specific Plan. These specific plans will replace the traditional zoning regulations in those areas and carefully guide land use, infrastructure improvements, and sustainable living for generations to come in neighborhoods near two planned light rail stations. The total cost is \$650,000.

Community Services and Recreation

This department includes Administration and nine divisions: Parks and Playgrounds, Aquatics, Sports, Instructional Classes, Facilities, the Paramount Education Partnership (PEP), the Elderly Nutrition Program, Community Transportation, and the STAR After School Program. The proposed budget is \$5,147,750, or about \$137,400 less than the current year's budget. The reduced budget amount reflects the department's shift to maintaining programs by contracting for various sports and aquatics services with the YMCA and the implementation of a new transit program. With the latter, there is a contract with Long Beach Transit for fixed-route and college-bound bus services and with Fiesta Taxi/Ride Yellow for expanded point-to-point transit services for our elderly and disabled communities.

OPERATING EXPENDITURES (cont'd)

This department provides or supports year-round community services that include youth sports, facility management, after school care, homework help, summer day camp, swim lessons, recreational swim, instructional classes, seniors programs, transit services, and special events.

The largest of these services, STAR, is funded by an After School Education and Safety grant from the State. FY 2021 marks 16 years of receiving the grant, totaling \$2,116,700 for the year, which includes the annual funding necessary to keep up with the State's minimum wage requirements. As a result, we are recommending salary adjustments to a few part-time positions in order to comply with the California minimum wage law.

The budget continues to fund the PEP. Over the last decade, PEP has served a critical role in providing a focus for the City, the School District, and the business sector to come together to promote education. Since PEP's inception, many students have benefited through after school tutoring, homework help, and college scholarships. With the continued support of the Paramount Unified School District and the business community, PEP will remain an important community resource.

The department is responsible for managing all public facilities including those at Paramount Park, Progress Park, Spane Park, and the Clearwater Building. In FY 2021, two vacant full-time Recreation Specialist positions are temporarily frozen to help balance the budget. The annual savings (including salary and benefits) is approximately \$210,000. The department will continue to evaluate operations and make adjustments as necessary. In addition, the department also manages the many successful City events throughout the year that include the Halloween Festival, Tree Lighting, Santa Train, and Breakfast with Santa. In addition to these extremely popular events, this budget contains funds for continuing this year's Heritage Festival, the Haunted House & Maze at Halloween, and Santa Photos at the Paramount Park Community Center.

General Government

General Government includes Administrative Services, Personnel, Finance, Municipal Support, City Manager, City Attorney, Community Promotion, and City Council and Commissions. This year's operations are budgeted at \$7,158,800, which is about \$93,100 less than the current year's budget.

Staffing and Employment Benefits

In 2012, the City significantly restructured and downsized the organization in response to the loss of revenue from the State's elimination of redevelopment agencies and the effects of the Great Recession. The City has continued to maintain about the same number of authorized full-time positions (90 including the City Attorney). At this time, three full-time positions are frozen including a Code Enforcement Officer position and two Recreation Specialist positions. As for part-

**OPERATING
EXPENDITURES
(cont'd)**

time positions, due to a lack of programs and events caused by the pandemic, some part-time hours will be reduced and we will re-evaluate all of these at the next budget review.

No cost of living adjustment (COLA) is being proposed and no changes to the benefits are being proposed at this time. The City will continue monitoring short- and long-term organizational impacts from COVID-19-caused losses of sales tax revenue, as well as any concurrent federal and State funding support.

Water Operations

Water operations are budgeted at \$9,214,850, about \$61,600 less than the current year's budget. Overall, we are projecting a deficit of \$1,661,950. The deficit was expected, as the cost of providing water is increasing every year while our water rates are relatively low when compared to other utility agencies. In addition, in FY 2019, we started paying debt service for the construction of the new well that has further increased the financial burden.

The budget includes continued funding for the development of Water Well #16. The drilling portion of that well was completed in prior years. Both the drilling and equipment design phases were funded with bond proceeds from the former Redevelopment Agency. In 2018 a loan from the State-ran iBank was secured for the equipping phase of this project, which started in the last quarter of FY 2020.

**CAPITAL
IMPROVEMENTS**

The capital improvement budget for FY 2021 is \$18,688,850, with \$7,122,350 by Water, \$3,257,450 by California Natural Resources Agency (CNRA), \$1,700,000 by SB1-RMRA, \$1,415,000 by Measure M, \$1,274,600 by Measure R, \$1,272,600 by Proposition C, \$274,000 by Proposition A, \$690,000 by Measure A, \$681,000 by STPL, \$405,850 by Highway Bridge Repair, \$295,000 by ATP, \$181,000 by Capital Reserve, \$100,000 by General Fund, and the rest with other restricted funds.

As always, the upcoming Capital Improvement Program provides for improvements to our arterial street corridors and neighborhood streets, continued planning for several large infrastructure projects in the coming years, and projects that will improve and maintain our parks and City facilities. Specifically on streets, we are moving forward on a street repaving project on Alondra Blvd. from Hunsaker Ave. to the LA River, and on Downey Ave., south of Alondra, as well as other neighborhood street improvements. The budget also contains funding for the design of traffic signal installations and the design and construction of the first phase of the City's bus shelter replacement program.

The budget continues to include funding for the design phase of the Rosecrans Bridge Replacement Project. The City was fortunate to receive a grant through the State Local Highway Bridge Program (HBP) to replace the two bridge structures on Rosecrans Avenue that cross the LA River. The budget provides funding for the first phase of design for this project, which is funded mostly through the HBP grant.

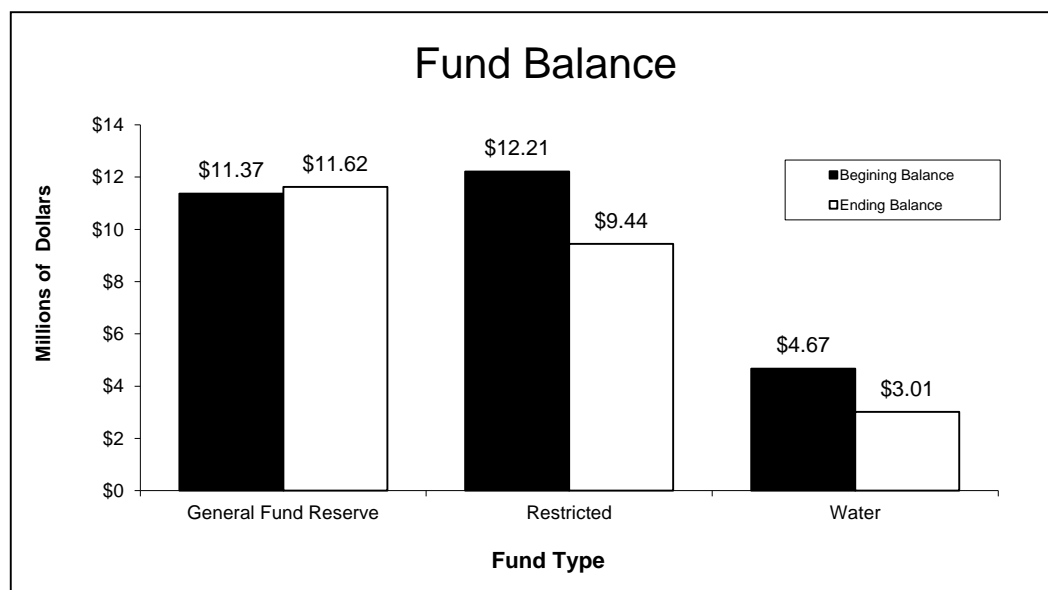

**CAPITAL
IMPROVEMENTS
(cont'd)**

The Capital Improvement budget also continues our effort to improve our parks and public facilities and to handle vital maintenance needs. Over the course of the last few years, we have been making a series of improvements to various facilities including the picnic shelters at Paramount Park and the restrooms at the Paramount Park Gym. In FY 2021, we anticipate re-plastering, deck repairs, and lighting improvements at Paramount Pool, some improvements at Progress Park Plaza, as well as an upgrade to the City's antiquated phone system.

**ENDING
BALANCE**

We are projecting to complete FY 2021 with a combined ending balance of \$24,069,000 for all three fund types. Our unassigned portion of the General Fund will end the year with \$11,623,500, a \$256,050 increase from the current fiscal year. Our Restricted Funds will end the year with \$9,436,200, a significant decrease of \$2,768,800 due to the use of Gas Tax and Capital Reserve funds. Our Water Fund will end the year with \$3,009,300, a \$1,661,950 decrease from the current year.

The chart below is a summary and overall review of our balances, showing what we began the year with and how much we project to have at the end of the year.

**SUCCESSOR
AGENCY**

The former Paramount Redevelopment Agency was terminated on January 31, 2012, pursuant to ABx1 26. As a result, the Successor Agency for the Paramount Redevelopment Agency was created to wind down the affairs of the former Redevelopment Agency.

Included in this budget are the enforceable obligations on Recognized Obligation Payment Schedules and the Redevelopment Property Tax Trust Fund we expect to receive. The budget assumes that the City will continue receiving \$250,000 for administration to fulfill the requirements of making bond payments and complying with various agreements.

**HOUSING
AUTHORITY**

The Paramount Housing Authority has been inactive since the County of Los Angeles took over the administrative function for Paramount's rental assistance vouchers in 2011. With the dissolution of redevelopment, the Housing Authority received a limited amount of low-mod housing funds for future housing projects.

SUMMARY

In closing, preparing a budget for a city is never an easy task with many unknown variables. Doing so in the midst of an economic shutdown during a global pandemic raises it to a new level of uncertainty. It is impossible to anticipate the depth and duration of the economic downturn caused by the pandemic at this time. As the safer-at-home restrictions are lifted in phases, we will have a clearer picture of our revenue outlook.

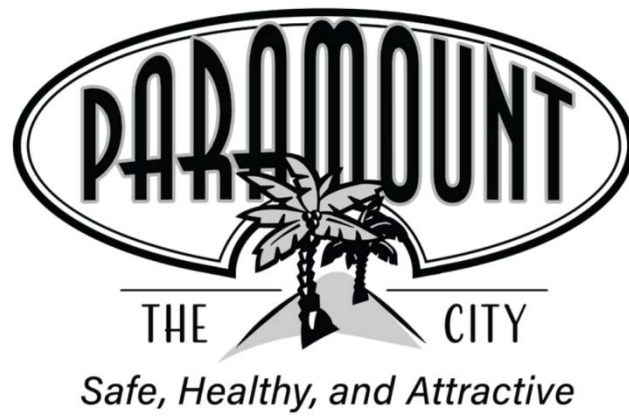

In light of all this, this is a preliminary spending plan for FY 2021 using conservative spending habits and revenue predictions. We are planning to revisit this budget in a few months and adopt a more realistic budget at that time. With that said, we continue to maintain the current level of services and programs for residents, with our traditional focus on a strong public safety component.

The budget we are presenting provides a financial outline for FY 2021. In this document you will find a blueprint to continue our municipal services and meet the needs and desires of our community.

Respectfully submitted this 2nd day of June, 2020.

John Moreno
City Manager

CITY COUNCIL/COMMISSIONS

The City Council is composed of five members who are elected by the voters of Paramount for four-year, overlapping terms. Each year, the City Council chooses a Mayor and a Vice Mayor from among its members whose responsibilities are to chair Council meetings, attest to the official actions of the City, and otherwise represent the City. The City Council establishes policy direction for the City; approves ordinances, resolutions, and contracts; and appoints the City Manager and City Attorney.

With the approval of the City Council, the Mayor appoints five commissions (Planning, Public Safety, Parks & Recreation, Public Works, and Senior Services) which serve as advisory bodies to the City Council. These commissions review issues within their respective areas and make recommendations for the City Council's consideration.

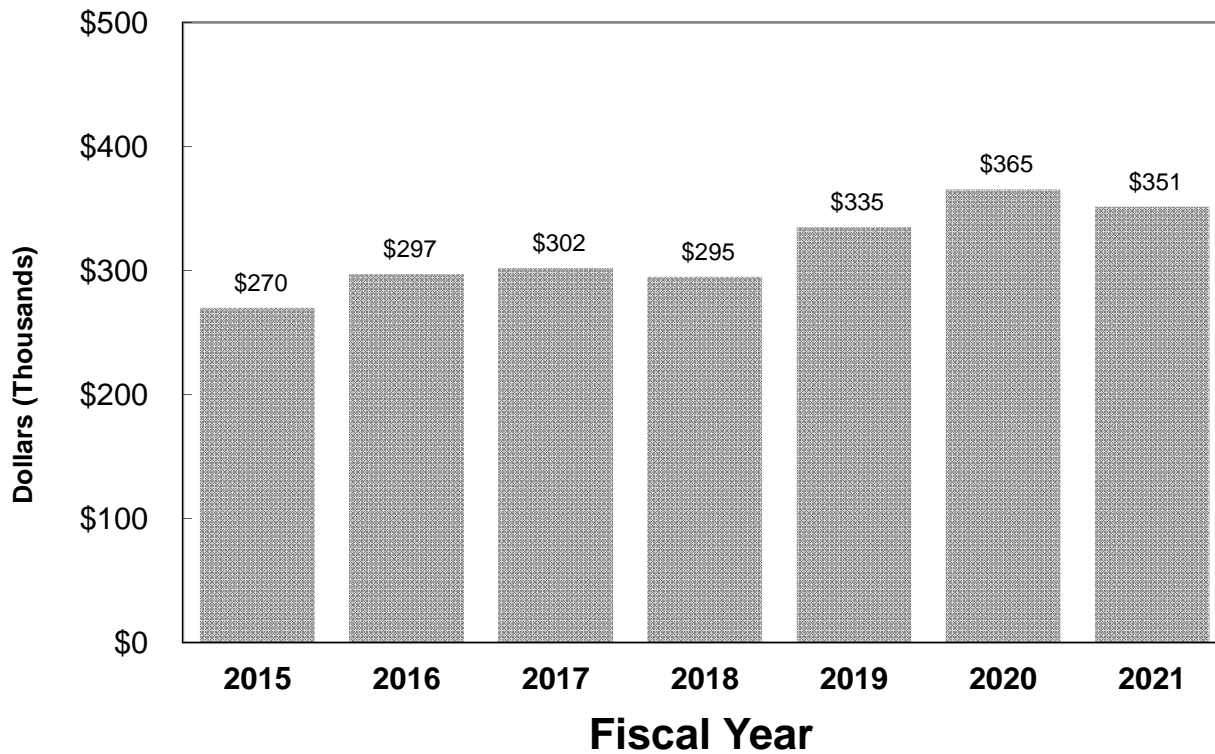

Below is a chart showing the organization of the City Council and its commissions. A department summary combining all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Full-Time Position Summary

City Council

The City Council is the City's policy making body. It provides direction for all City programs, such as planning and economic development, police protection, water service and delivery, street maintenance, park maintenance, and capital improvement programming.

The City Council conducts monthly public meetings for the purpose of taking formal actions. The Council approves ordinances, resolutions, contracts, and City expenditures. It provides liaison to elected representatives of the state and federal government, and represents the City at formal public events.

In addition, the City Council approves all appointments to City commissions, presents proclamations and special awards, approves specialized permit requests, appoints the City Manager and City Attorney, and approves the City's budget.

Planning Commission

The Planning Commission makes recommendations to the City Council in regards to planning and development issues.

The Commission conducts one monthly meeting during which it also serves as the City's Development Review Board and Economic Development Board.

The Commission reviews all conditional use permits, variances, land divisions, plot plans, and zoning ordinance amendments.

Approximately 60 applicants for these types of activities will be reviewed during the year.

The Development Review Board reviews exterior design of all proposed development in the City except for homes in the R-1 zone. Approximately 30 site development plans will be reviewed by the Board in the coming year.

Public Safety Commission

The Public Safety Commission is an advisory board which makes recommendations to the City Council regarding such topics as police services, City public safety programs, and other issues which the City Council may refer to the Commission. The Public Safety Commission also acts as a forum to consider residents' concerns regarding law enforcement issues.

The Public Safety Commission conducts one regular meeting per month and also acts as the Board of Appeals for Code Enforcement cases that are appealed by residents or business owners. The Board of Appeals only meets when necessary to hear a case, usually twice per year.

COMMUNITY PROMOTION

The Community Promotion activity provides direct support to various segments of the community by funding special activities, events, and celebrations, and supporting local athletic and community groups. Funds are also provided by the City Council for activities designed to establish effective relationships with the business, private, and public sectors of the community.

During the year, for example, the Community Promotion Program will sponsor community-oriented promotional events such as luncheons, faires, athletic events, holiday celebrations, and other events.

As shown below, the Community Promotion Program is organized into a single activity. A detailed description of this activity can be found on the following pages.

Community Promotion

The Community Promotion activity provides a positive public relations program for the City by promoting and supporting special services, programs and events, celebrations, and local sport and community groups.

During the year, the Community Promotion Program will co-sponsor a Senior Thanksgiving Dinner, in which approximately 600 senior citizens will participate, and the annual Christmas Train which will visit approximately 50,000 residents. This year's budget also includes the publication of three issues of the City Newsletter.

This program also includes funding for approximately 15-20 community groups and services.

CITY ATTORNEY

The City Attorney provides legal advice to the City Council, the Successor Agency for the Paramount Redevelopment Agency, and all City commissions and departments. The City Attorney reviews all resolutions, ordinances, agreements, and other City documents for legal correctness and validity; provides advice as to the legal effect of City policies and actions; and represents the City in court litigation as necessary.

As shown below, the City Attorney function is organized into a single activity. A detailed description of the activity can be found on the following pages.

City Attorney

The City Attorney provides all legal assistance to the City Council and City departments.

The City Attorney reviews and approves all resolutions, ordinances, and agreements for legal correctness and validity; acts as legal counsel for litigation in which the City may become involved; and supplies legal advice to the Council and all City departments in regard to current and future policies and actions.

CITY MANAGER/CITY CLERK

The City Manager provides direct staff support to the City Council and is responsible for implementing City Council policy. The City Manager directs the operation of all City departments through department heads and makes recommendations to the City Council.

The City Manager prepares all of the City Council agendas and provides staff support for all City Council meetings. The City Manager prepares and recommends an annual budget to the City Council, provides reports, analyses, and other information to the City Council as necessary.

Shown below is a chart which summarizes the operations for which the City Manager/City Clerk is responsible. A detailed description of the activity can be found on the following pages.

**City Manager/
City Clerk**

The City Manager provides direct staff support to the City Council and is responsible for implementing City Council policy. The City Manager directs the operations of all City departments through department heads and makes recommendations to the City Council.

The City Manager prepares and recommends an annual budget to the City Council, and on an ongoing basis, provides reports, analyses, and other information to the City Council.

The City Clerk maintains the City's central record system which contains official files and overseas requests for public records. The City Clerk also prepares City Council minutes and attests to the validity of public City documents. In addition, the City Clerk conducts municipal elections and serves as the filing officer for campaign and conflict-of-interest disclosure statements as required by the State Political Reform Act.

ADMINISTRATIVE SERVICES

The Administrative Services Department coordinates the internal day-to-day operations of the City and provides specialized staff support to the City Manager's Office and other departments. The department oversees the following operations: public information, risk management, contract and franchise management, legislative analysis, special projects, and administration of the telephone system and computer networks. The department is also responsible for recruiting, testing, selecting, and training employees as well as administering the City's personnel system.

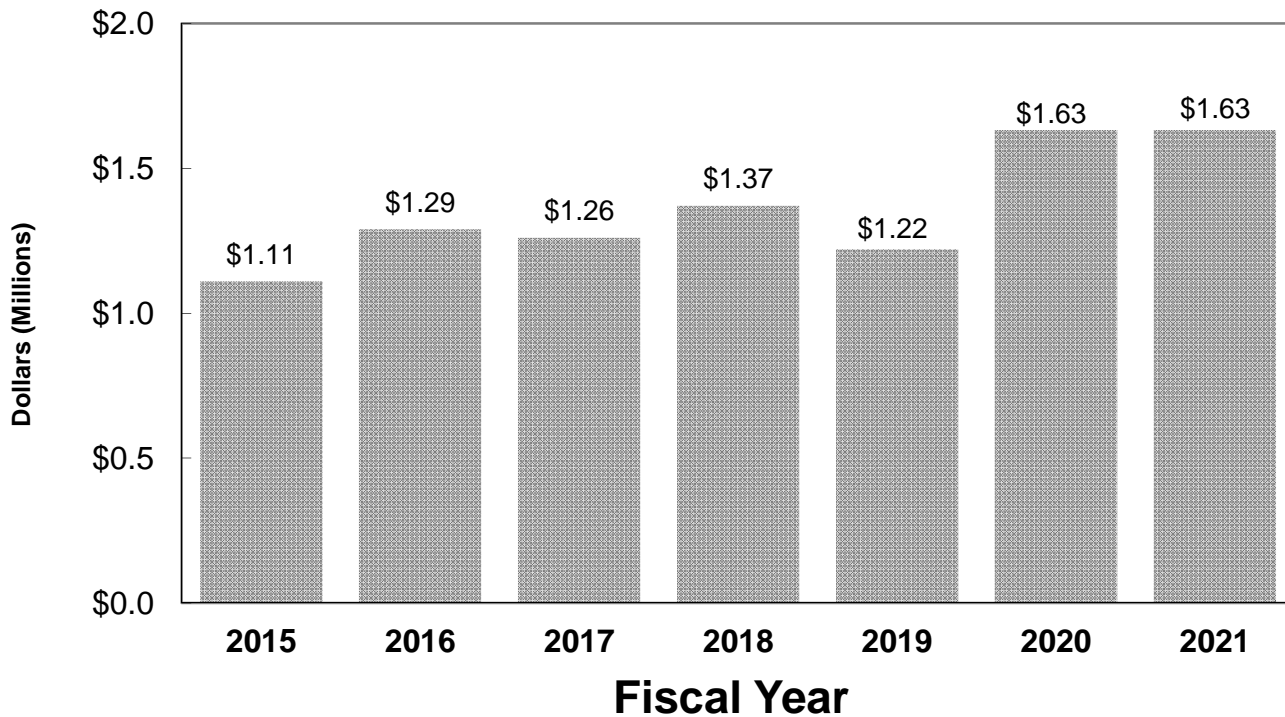

Below is a chart showing the department's activities. A department summary combining all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Management Services

The Management Services Division coordinates the City's operations and provides technical assistance and management support to all City departments.

The Division administers the City's property and liability insurance programs and monitors the activities of the State and Federal government as they may affect the City. The Division provides direct staff support to the City Manager's Office, administers the City's cable television and franchise agreement, prepares special reports and analyses as requested by the City Manager and other City departments, and manages all internal computer and communication systems including local area networks, telecommunications, and central City telephone operations.

The Division is also responsible for the development of public relations and marketing materials, serves as the Public Information Office for the City, and administers the Service is Paramount Program which surveys residents on the quality of City services.

Human Resources

The Human Resources Division recruits, tests, selects, and provides training for all City employees and is responsible for the administration of the employee benefit program.

During the average fiscal year, the Division will recruit for approximately 125 positions by placing approximately 50 job announcements in various publications. From these announcements, over 2,000 applications are received. Each application is thoroughly reviewed and qualified applicants are invited to continue in the selection process, during which the division will administer 750 written tests and 550 oral interviews to applicants. More than 7,000 pieces of correspondence will be sent to job applicants.

The Division prepares reports and analyses of employee salaries and benefits, administers the employee medical insurance program, and is responsible for position classification studies.

FINANCE

The Finance Department coordinates the day-to-day financial transactions of the City and is responsible for all accounting, cashiering, financial planning, and investment activities of the City. The department administers various internal operations such as budget, contract management, grant management, and capital improvement programming. The department also processes the City's business and animal licenses, various permits, parking citations and all daily incoming and outgoing mail.

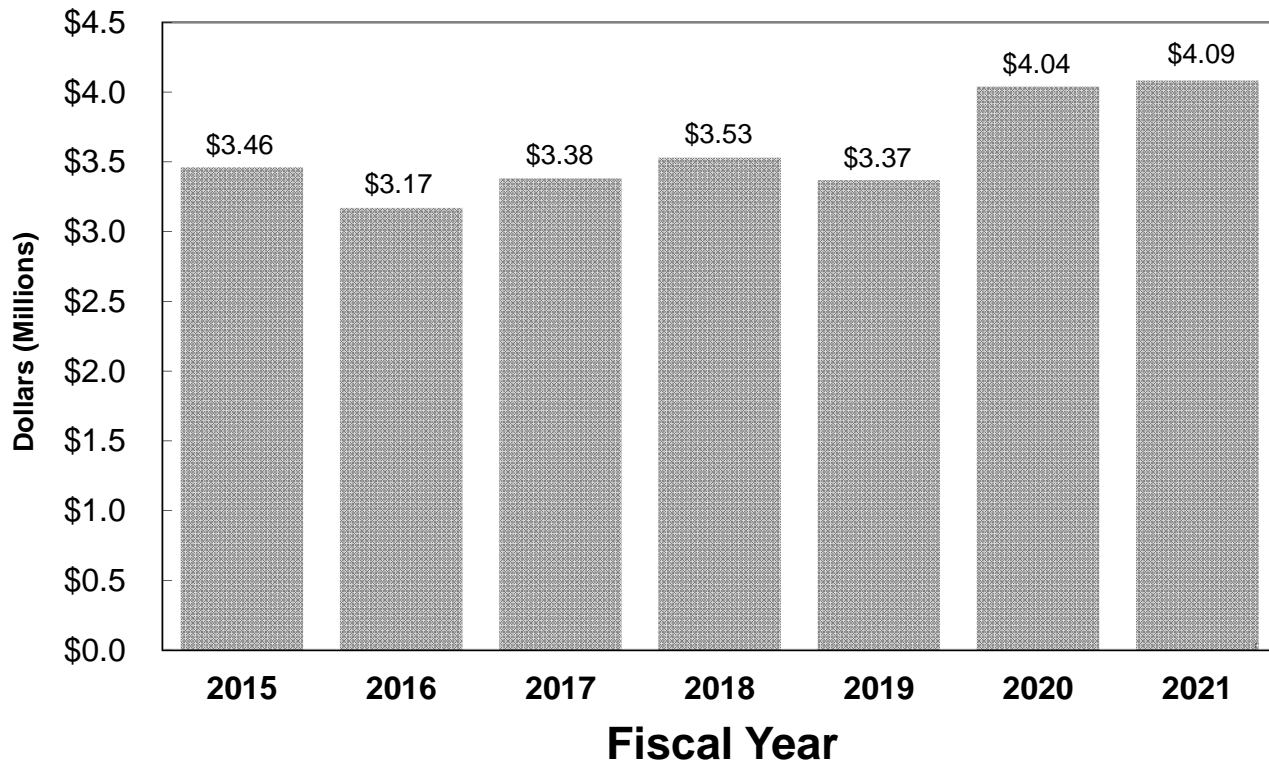

Below is a chart showing the department's activities. A department summary combining all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Finance Administration

The Finance division is responsible for all accounting, cashiering, financial planning, and investment activities of the City. It accounts for all financial transactions of the City and Successor Agency, administers the City's investment portfolio, and manages all debt issues. The Division is also responsible for projecting long-term financial conditions, coordinating annual audits by various agencies, and preparing the City's budget and Comprehensive Annual Financial Report (CAFR).

With day-to-day financial transactions, this Division is responsible for accounts payable, accounts receivable, payroll and other finance subsystems. Annually, this division receives and process over 7,500 requests for payments, issues over 8,000 payroll checks, and prepares and sends out over 300 invoices. Each year, this Division provides accounting for approximately \$80 million in revenues and expenditures, and prepares over 75 reports to various state and federal agencies. In addition to overseeing over 30 different grants and restricted revenue sources, the Division also coordinates inventory management for the Water Department and the City's general fixed assets.

Customer Service

The Customer Service Division, which is located in the City Hall lobby, provides public information and referral service to visitors of City Hall. This Division acts as the City's primary cashiering location and collects most of the fees which are administered by the City.

The Division processes most of the City's licenses and permits which includes the issuance, renewal, and file maintenance of approximately 3,300 business licenses and 3,900 animal licenses. In addition, the Division issues approximately 650 miscellaneous permits; accepts payment for approximately 5,000 parking citations; and provides assistance to approximately 150 people each day who visit or telephone the front counter for information.

The Division handles all incoming and outgoing City mail. Approximately 95,000 pieces of incoming mail are sorted, date and time stamped, opened, and delivered to City departments.

Water Billing

The Water Billing Division is responsible for operating the customer billing system. The Division is located in the City Hall lobby and provides water customer services by issuing water bills, updating customer files, and responding to customer inquiries.

The Division maintains all billing and payment records on approximately 7,500 water service accounts, issues 45,000 water bills, and will receive more than 45,000 water payments. It is anticipated that approximately 15,000 (33%) past due notices will be mailed, 5,000 (11%) turn-off notices will be hung at the service addresses, and 450 water accounts will be turned off due to non-payment.

The Division will respond to approximately 18,900 customer inquiries regarding service and billing information.

Municipal Support

The Municipal Support activity contains costs budgeted for equipment and services which are used on a City-wide basis. This activity includes costs, for example, for City-wide telephone communications; electricity, water, and natural gas used at City buildings and parks; City-wide postage costs; rental and maintenance charges for centralized business equipment such as copiers, word processors, and computers; and liability and property insurance covering the City's \$53 million in real and personal property.

PLANNING

The Planning Department is responsible for the administration of the City's development process, including residential, commercial, and industrial uses. The department performs current and long range planning; enforces zoning and building codes; reviews site and development plans; issues building, electrical, grading, mechanical, and plumbing permits; provides technical support to City departments; and provides staff support and analyses to the City Planning Commission. The department administers the Home Improvement Program which provides rebates to Paramount residents for upgrading deteriorated properties and correcting code violations.

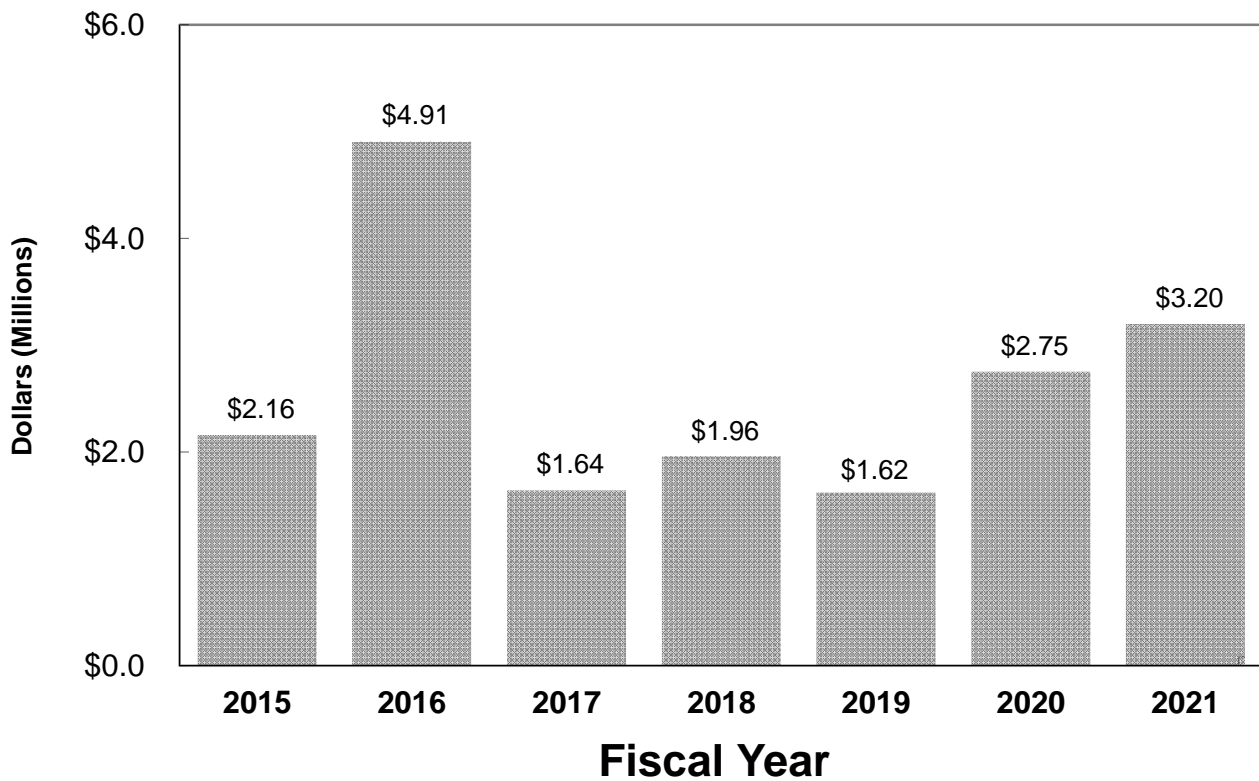

Below is a chart showing the department's activities. A department summary combining all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Planning Administration

The Division administers the City's current and long range planning programs, monitors all relevant County and State legislation, surveys current land use, and updates the City Zoning Code and General Plan.

Approximately 150 site plans and proposed developments are reviewed yearly to assure compliance with local zoning design requirements. The Division provides staff support to the Successor Agency for the Paramount Redevelopment Agency, City Planning Commission, Development Review Board, and the Economic Development Board. This year the Division plans to process over 3 zone changes, 30 conditional use permits, and 8 zone variances.

Building & Safety

The Building & Safety Division enforces the City's building, plumbing, and electrical codes, which includes the review of building plans, issuance of construction permits, and inspection of construction.

The Division annually checks 370 construction plans to ensure conformance with the City's building codes. This examination involves a careful review of the plans and may include structural analysis, energy calculation analysis, and review for handicapped access. The Division also issues more than 645 building permits, 240 plumbing permits, 390 electrical permits, and 185 other development-related permits each year. These permits are required before any construction may legally occur within the City. Once the permits are issued, the Division conducts more than 7,260 on-site construction inspections to verify that local building codes are being followed.

In addition to the services provided to the development community which are mentioned above, the Division also performs inspection for the Residential Rehabilitation Program.

PUBLIC SAFETY

The Public Safety Department provides City residents with services for the protection of life and property. It includes coordination, liaison, and monitoring of services provided by the Los Angeles County Sheriff's Department, the Los Angeles County Fire Department, Los Angeles County Probation and District Attorney's Office and the Southeast Area Animal Control Authority. These organizations provide general law enforcement, fire and rescue services, and animal control. Supplemental law enforcement services are provided through the City's Community Service Officer (CSO) Program, and operation of the Paramount Sheriff's Station. In addition, code enforcement, crossing guard protection for school children, enforcement of local parking regulations, coordinating Neighborhood Watch activities with residents and administration of the City's Civil Defense/Emergency Plan are provided under this function.

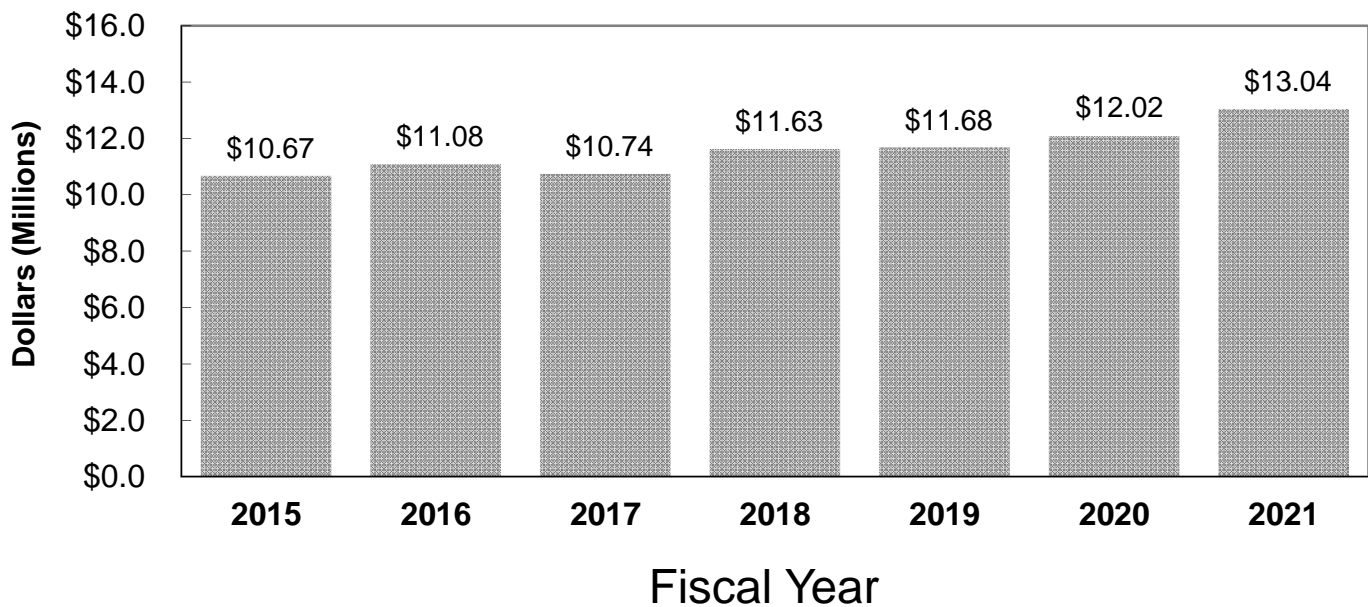

Below is a chart showing the department's activities. A department summary combining all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Public Safety Administration

The Division coordinates and monitors services provided by the Los Angeles County Sheriff's Department. The Division also administers the City's Emergency Preparedness and neighborhood preservation programs, as well as the Community Service Officer (CSO) and Code Enforcement programs.

The Division acts as a liaison between the City and the Los Angeles County Fire Department. The City is serviced by one fully equipped fire station which responds to approximately 115 fire and miscellaneous calls and performs approximately 3,956 rescues and 528 fire code inspections yearly.

The Administration Division is responsible for developing and coordinating the City's Emergency Response plan with the Area E Disaster Services Board.

The Division also provides 2,080 hours of Public Safety Management Analyst service to promote positive relations between community groups, the general public, and Sheriff's Deputies via the Neighborhood Watch organization.

Sworn Patrol

The Division provides sworn law enforcement services via the Los Angeles County Sheriff's Department. The City contracts for "dedicated law enforcement", which allows for a regular group of deputies to work in Paramount for extended periods. The Division also includes Aero Bureau services.

The Sheriff's Department provides approximately 42,000 man-hours of sworn police protection, 4,024 hours of traffic enforcement and supplemental patrol to address "quality of life" issues and crime prevention.

The City supplements law enforcement services by contracting dedicated services for a Deputy District Attorney and a Detective Bureau Consultant.

Non-Sworn Patrol

The Division provides 14,560 hours of Community Service Officer and 2,080 hours of Community Service Officer supervision for non-sworn law enforcement activities, including operating the Paramount Sheriff's Station. The Community Service Officers represent about 15% of the law enforcement service level but they handle 30% of the calls for service. Community Service Officers respond to burglaries, grand thefts, identity thefts, petty thefts, bicycle thefts, auto thefts, recovered autos, found property, lost property, and parking enforcement.

The Division also provides 2,080 hours of crime analyst services in order to focus the Department's law enforcement activities, and 9,850 hours of Public Safety Assistant services to provide customer service assistance at the Paramount Station, and in-house fleet maintenance, and 2,080 hours of parking enforcement via the Parking Control Officer.

The Division also supervises a contract which provides 12,870 hours of crossing guard protection at 21 separate locations throughout the City.

Code Enforcement

The Code Enforcement Division enforces Building, Municipal, and Zoning Codes.

This Division responds to approximately 700 Citizen Service Requests per year related to property maintenance, zoning, and other code violations. This Division also conducts inspections and Public Nuisance Hearings. This year, the Division will conduct over 2,000 inspections. In addition, this Division prepares cases for the City Prosecutor's Office.

COMMUNITY SERVICES & RECREATION

The Community Services & Recreation Department provides recreational, educational, cultural, and social opportunities for the community. Supervision and instruction are offered for after school programs, aquatic activities, sports field usage, organized athletic leagues, instructional classes, and summer camps. The department offers programs which provide senior citizens with nutritious meals, social activities, medical testing, tax assistance, and counseling. The department also supervises and schedules public meetings and athletic facilities, oversees capital improvements at City Parks, and administers the community transportation system.

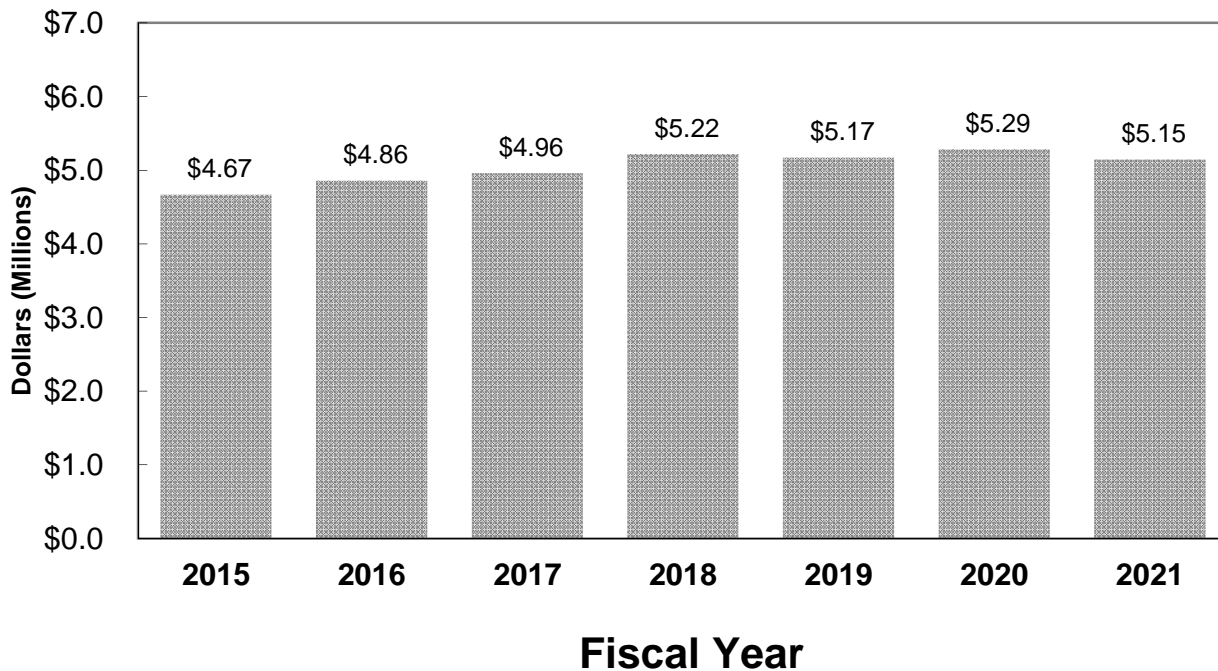

Below is a chart showing the department's activities. A department summary which combines all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Parks and Playgrounds

The Parks & Playgrounds Division manages activities at the City's six major parks, three neighborhood parks, one mini-park and thirteen playgrounds.

Parks & Playgrounds operates a Summer Day Camp which provides recreation activities for youth during the summer break from school.

The Division also works in coordination with the Paramount Unified School District to operate a free summer food and recreation program at 14 school district sites during the summer.

The Division conducts annual special events such as the Eco-Friendly, Heritage Parade, Summer Concerts, Halloween Carnival, Tree Lighting, Santa Train, and Breakfast with Santa.

Paramount Education Partnership Program

This Division provides the vital connection between continuing education and future economic success for all residents through the Paramount Education Partnership (PEP) program.

This Division operates the City's learning center at Spane Park during the school year and provides collaborative educational opportunities for the community through partnerships with PUSD, Long Beach State, Cerritos College and other parties.

This Division also provides the administration and coordination of the non-profit PEP Scholarship program and provides the administrative support to the non-profit Paramount Education Partnership Board that oversees the funds donated by the community to the PEP Scholarship Program.

Elderly Nutrition

The Elderly Nutrition Program provides nutritionally balanced meals to senior adults in group settings and home delivered meals to home-bound seniors. This service is provided through a contract with Human Services Association.

The Division serves approximately 46,000 nutritionally balanced meals during the year. Approximately 26,000 of these meals are served in a group setting while another 20,000 meals are home delivered to home-bound seniors throughout the year. Over 3,000 participants take part in social and educational activities such as exercise classes, bingo, craft classes, art, movie days and excursions.

Community Transportation

The Community Transportation Division administers the City's various transit programs. The City contracts with Long Beach Transit to provide fixed route bus services in town. The City also contracts with Fiesta Taxi to provide out-of-town medical transit trips for the elderly and disabled. Fiesta Taxi also provides in-town services for the elderly and disabled for trips to the City's Senior Center, government offices, shopping centers, and medical offices.

The Division also provides transit services for college-age residents through the Paramount University Pass program that provides free use of Long Beach Transit and Metro bus lines traveling to area colleges & universities.

The Division also provides support for various recreation transit needs.

This Division is funded through Proposition A Transit Tax Funds.

STAR After-School Program

The Success Through Academics and Recreation (STAR) Division operates a free after-school enrichment program at 11 elementary and 4 middle schools in the Paramount Unified School District. The STAR division is funded through a grant from the State of California Department of Education.

The STAR program infuses a healthy mix of physical activity, literacy instruction and homework help. The STAR program begins at the end of every school day and ends at 6:00 p.m. It operates 180 days each school year and serves approximately 1,600 students.

PUBLIC WORKS

The Public Works Department is responsible for maintaining all City-owned facilities, substructures, streets, and land. The department maintains 72 miles of streets and alleys, a fleet of about 75 vehicles and over 100 pieces of major equipment, 3 water production sites, 126 miles of water distribution and transmission lines, 7,500 water meters, approximately 71 acres of parkland and landscaped traffic medians, approximately 12,000 trees and 9 City facilities.

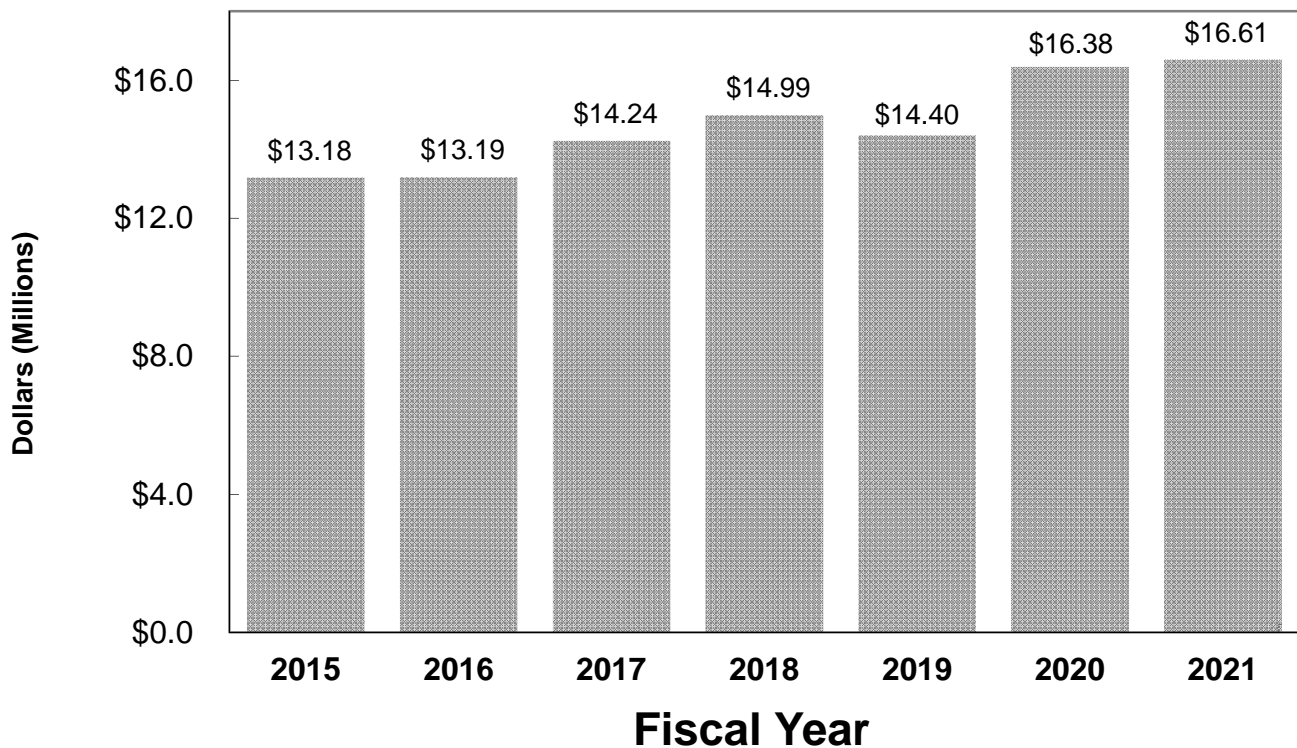

Below is a chart showing the department's activities. A department summary combining all activities is shown on the next page. A detailed description of the activity can be found on the following pages.

Public Works Administration

The Administration Division sets policies and standards for the upkeep, maintenance, and repair of all public infrastructure improvements and systems, including water production and delivery, road maintenance, park and building maintenance, vehicle and equipment maintenance, and contract management.

The Division prepares and monitors the department's budget and performance standards, and prepares special reports for the City Council and the Public Works Commission. The Division establishes goals, policies and procedures; provides long range public works planning; and conducts employee safety training.

The Division also coordinates the department's response to over 2,000 citizen requests each year.

Facility Maintenance

The Facility Maintenance Division maintains approximately 130,000 square feet of building space, including structures at City Hall, Paramount Park, Progress Park, Spane Park, the City Maintenance Yard, Firehouse Activity Center, Dills Park, Orange Pool, All-American Park, six public fountains, two public swimming pools and various art pieces throughout the City.

The Division performs all of the City's routine carpentry work including the installation of doors, windows and walls; fabrication of signs; construction of structures for special City events, such as stages and booths; construction of small storage and utility sheds; painting of all City buildings; repair of ceilings and roofs; and restoration of office furniture. The Division also repairs and maintains the City's radio, public address, air conditioning, heating, lighting and plumbing systems. The Division is also responsible for daily removal of graffiti city wide.

The Division repairs plumbing leaks and cleans clogged sewer lines and eliminates other plumbing problems for the City's 35 restrooms and 50 drinking fountains. In addition, on a daily basis, the Division monitors the chemical composition of the water at City pools and checks for malfunctioning equipment at City pools and fountains.

Landscape Maintenance

The Landscape Maintenance Division maintains 50 acres of park turf and 15 acres of landscaped traffic medians, setbacks and other areas. The maintenance of these areas requires edging, irrigation, mowing, aerating and fertilization of turf. Additionally, trash, leaves and graffiti are removed from parks on a daily basis.

In an average year, this division plants 3,500 shrubs, sows 1,500 pounds of grass seed, spreads 6,600 pounds of fertilizer and sprays 50 gallons of insecticide and herbicide.

The Division is also responsible for monitoring the City's tree trimming and median mowing contracts, maintenance of all trees located in City parks, and installing and replacing over 25 street banners each year to advertise major community events.

Road Maintenance

The Road Maintenance Division maintains the City's 72 miles of streets and alleys. It is also responsible for monitoring the street sweeping contract with California Street Maintenance and the sewer and storm drain maintenance with the Los Angeles County Department of Public Works.

The Division prepares designated streets for slurry seal, patches potholes and makes minor street repairs. Each year, the Division spreads 500 tons of asphalt on City streets; sweeps streets for special events; applies 1,000 gallons of paint to mark 32,000 linear feet of curbs, crosswalks and other street markings; repairs or replaces over 500 street and traffic signs; and pours 150 cubic yards of concrete for replacement sidewalk curbs gutters and driveway aprons.

The Division grades parkland areas; pumps flooded streets; manages the contract with the City of Santa Fe Springs for the maintenance of the City's 52 signalized intersections; and supervises sidewalk, curb and gutter contracts.

The Division responds to more than 750 citizen inquiries regarding street and sidewalk repairs and removal of debris from the public right-of-way.

Engineering

The City's engineering services are provided through a contractual arrangement with Wildan Associates.

The Division provides engineering services to all City departments which includes general engineering, assistance with development of grant applications, administration of assessment districts and traffic engineering studies. In addition, the Division processes approximately 10 parcel and tract maps during the year which are required by private development. This Division also coordinates updating the house numbering map and the zoning map.

The Division provides, through an agreement with the Los Angeles County Engineer, inspection services for industrial wastes and also updates all public right-of-way substructure maps to record any new additions or deletions to the underground master plan.

Water Production

The Water Production Division maintains the City's metered connections to the Metropolitan Water District (MWD) water supply and operates the City's water wells which extract water from underground aquifers.

The Division's three active wells will extract approximately 5,900 acre feet of ground water or approximately 95% of the water used by municipal water customers. The two MWD connections will supply approximately 200 acre feet or about 5% of the water sold to customers. All four water production facilities are checked daily.

The Division also monitors the quality of water by collecting and analyzing samples on a regular basis. For example, 900 bacti samples will be checked for potentially dangerous bacteria and 900 general physical samples will be checked for pH (acidity/alkalinity), color, taste and suspended particles. Any conditions likely to create potential problems are corrected immediately.

The Division also conducts cross-connection control inspections. These inspections are designed to prevent the entrance of contaminated or hazardous material into the City's water system from private consumer's lines.

Water Distribution

The Water Distribution Division maintains 126 miles of water lines which make up the City's water transmission and distribution system. This system carries water from the City wells and from the Metropolitan Water District connections to City residences and businesses.

Annually, the Division repairs approximately 150 system leaks, repairs and paints 1,000 fire hydrants, installs approximately 20 fire hydrants, paints all valve lids and air vacs and installs approximately 50 new water services. In addition, the Division opens and closes more than 1,000 main line valves once each year to ensure their free movement and opens the City's 1,000 fire hydrants once each year to remove sediment from the water lines.

The Division also tests fire hydrants for proper levels of fire flow and assists the County Fire Department and land developers with fire flow

Water Customer Service

The Customer Service Division reads and maintains 7,500 water meters which record the amount of water each customer uses.

This year, over 42,900 water meter readings will be taken, approximately 500 meters will be replaced and more than 100 meters will be tested and repaired. Approximately 1,500 service connections and terminations will be made and more than 600 customer inquiries regarding service delivery will be handled.

In addition, the Customer Service Division assists the Water Production Division with the production of water, the maintenance of water wells and water connection valves and the monitoring of water quality.

SUCCESSOR AGENCY

The Successor Agency for the Paramount Redevelopment Agency is required to make payments for enforceable obligations, maintain reserves in the amount required by outstanding redevelopment bond issues, remit unencumbered fund balances to the County Auditor-Controller, dispose of assets and properties belonging to the former redevelopment agency, enforce all former redevelopment agency rights, effectuate the transfer of housing functions and assets, wind down the affairs of the former redevelopment agency, continue to oversee the development of properties, prepare an administrative budget, and prepare a Recognized Obligation Payment Schedule prior to each six month period.

The following page summarizes the revenues and expenditures for Fiscal Year 2021.

HOUSING AUTHORITY

The Paramount Housing Authority, a separate and distinct legal entity from the City government, has been designated as the Affordable Housing Successor for the former Paramount Redevelopment Agency.

The following page summarizes the revenues and expenditures for Fiscal Year 2021.

The Paramount Housing Authority was established in December of 1984 pursuant to Section 34200 et seq., of the Health and Safety Code of the State of California. The primary purpose of the Housing Authority is to help provide affordable housing assistance to low and moderate income persons.
