

General Plan Amendment Applicant's Guide

PURPOSE

The Paramount General Plan serves as the blueprint for planning and development in the City of Paramount. The General Plan consists of elements, including the Land Use Element, which establishes land use designations. These categories promote the orderly growth of the community by grouping together uses which are similar and protecting them from the intrusion of uses which might be detrimental or incompatible. The primary objectives of the Land Use Element are to manage future growth, improve the City's physical appearance, and to minimize potential land use conflicts. The division of a city into land use designations is a necessary part of planning to ensure rational and orderly development and comply with state laws.

FINDINGS

The applicant for a General Plan Amendment shall substantiate to the satisfaction of the Planning Commission and City Council the following facts:

- (a) That modified conditions warrant a revision in the land use plan as it pertains to the area under consideration.
- (b) That a need for the proposed land use classification exists within such area and that the proposed change is necessary and proper and not likely to be detrimental to adjacent properties.
- (c) That the particular land under consideration is a proper location for such land use classification within such land use area and is suitable for uses permitted in a corresponding zone in terms of access and size of parcel.
- (d) That placement of the proposed land use designation at such location will be in the interest of public health, safety, and general welfare.
- (e) That the proposed classification will be consistent with the Zoning Map.

Procedure for Filing a General Plan Amendment Application

1. The owner or owner's representative shall submit an application, filing fee, and other required data to the Planning Department. The filing fee is **\$1,437.50**.
2. After all forms are submitted, the Chair of the Planning Commission will schedule the matter for a public hearing before the Commission. The applicant, owner of the subject property, and owners/tenants of the properties within 500 feet of the subject property will receive notice of the public hearing ten days prior to the public hearing. Please provide two sets of labels.
3. A staff report, evaluating the request, will be prepared for the Planning Commission. A copy of this report will be mailed to the applicant prior to the hearing.
4. At the hearing, the staff will first present its report and recommendation. This presentation will be followed by testimony from the applicant and any interested persons who may wish to comment on the application.
5. The Planning Commission may then close the public hearing and (1) approve, (2) conditionally approve, (3) deny the request or postpone decision to a later date, or (4) continue the public hearing to a specified time, date, and place. The Commission will announce its decision at a regular meeting or scheduled special meeting within 40 days after the conclusion of the public hearing. The Planning Commission's recommendation shall be presented to the City Council at their next regularly scheduled meeting.
6. The City Council will also conduct a public hearing regarding the request. Property owners/tenants within 500 feet of the proposed request will again be notified of the hearing. The decision of the City Council shall be final and conclusive. A copy of the resolution approving or denying the request will be mailed to the applicant after adoption. A General Plan Amendment becomes effective immediately upon City Council adoption of a resolution amending the General Plan.

7. WAIVER, RELEASE AND INDEMNIFICATION

As an additional term or condition of the grant of this General Plan Amendment, as confirmed by its signature below, the applicant, on behalf of itself and/or any entity which it represents on in which it has an ownership interest (the "interest"), to the extent fully allowed by law, waives and releases the City of Paramount and its officers, agents, and employees (the "City") from and against any and all liability related to or arising from the application for a General Plan Amendment (the "permit"), the issuance of such permit, or the City's enforcement or failure to enforce the conditions of such permit. The undersigned certifies that it and/or any entity in which it has an interest shall not file or cause to be filed any claims or proceedings against the City as a result of this permit application, the issuance of the permit and/or the City's enforcement of or the failure to enforce the conditions of the General Plan Amendment.

In addition, as a condition of applying for and or accepting a permit from the City, the undersigned, on behalf of himself/herself and any entity in which he/she has an interest, shall indemnify, defend and hold harmless the City, from any and all liability, claims, challenges, or demands of any nature brought by a third party (specifically including but not limited to the California Environmental Quality Act) arising out of or any manner related to the issuance of the permit and/or the operation of the project that is the subject of the permit.
